

YES! *Cartons are Recyclable!*

NOW! REPUBLIC SERVICES accepts cartons for recycling!

The last drop of milk, juice or soup does not mark the end of a carton's useful life. Cartons are easy to recycle and in high demand.

HOW? Simply place empty cartons in your recycling bin with your plastic, metal and glass containers.

WOW! The bales of recycled cartons are shipped to paper mills, where cartons are mixed with water in a gigantic blender to extract all the paper fiber. These recycled carton paper fibers are a valuable resource for making products such as recycled paper products and even building materials.

Carton Council
