

City of Ellisville

Trailblazer

Fall 2018

General Election Notice

An election will be held on Tuesday, April 2, 2019, to elect three Council Members, one (1) from each of the three Council Districts and one (1) Council Member from District Two (2) to fill two (2) years of an unexpired term. Any Ellisville resident wishing to become a CANDIDATE FOR COUNCIL MEMBER may do so by filing an application in writing with the City Clerk, or in her absence with the City Manager, at the Ellisville City Hall, #1 Weis Avenue, between the hours of 8:00 A.M. on Tuesday, December 11, 2018, and 5:00 P.M. on Tuesday, January 15, 2019, with the following exceptions: City Hall will be closed on Monday, December 24, 2018; Tuesday, December 25, 2018; Monday, December 31, 2018; and Tuesday, January 1, 2019.

Applicants for the office of Council Member must be at least 21 years of age. Additionally, all applicants must: (1) be a qualified voter in accordance with State Statutes; (2) be a resident of the City of Ellisville for one year preceding the election; and (3) not owe any unpaid taxes to the City of Ellisville.

If you have any questions, please contact City Clerk Leigh Dohack at (636) 227-9660 x 3039 or by email at ldohack@ellisville.mo.us.

National Night Out – October 2, 2018 America's Night Out Against Crime

National Night Out (NNO) is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie. NNO enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Neighborhoods across Ellisville, along with over 38 million neighbors across the U.S., are asked to take part in NNO, 2018.

The Ellisville Police are encouraging neighborhoods to host a location and spend the night outside getting to know their neighbors, police and city officials. The Ellisville Police Department and other public figures will make visits to hosted locations throughout the city during the event on Tuesday, October 2 from 6 P.M. to 9 P.M.

Along with the traditional display of outdoor lights and front porch vigils, cities, towns and neighborhoods celebrate NNO with a variety of events and activities such as:

- Block parties
- Cookouts
- Flashlight walks, contests
- Outdoor movies
- Ice cream socials
- Games
- Potluck

To register your neighborhood, please contact Sgt. Nancy Walker at (636) 227-7777 or nwalker@ellisville.mo.us or visit <https://ellisville.mo.us/175/National-Night-Out> for the official registration form.

Innovative Partnerships for Better Developments – A Win for Ellisville!

The City of Ellisville has expanded on its tradition of excellence by taking an active hands-on approach in partnering with its business community.

The City has partnered with various businesses to help spur sound development. In March 2010, the City helped Centrum Clarkson LLC create the Fountain Plaza Community Improvement District (CID). The CID allowed for improved transportation, access to and from the site, and multiple high quality amenities, including the name-sake ‘fountains.’ The applicant invested \$1.3 million in eligible expenses, and will receive an estimated \$279,000 in reimbursement from CID revenues over twenty years. All CIDs are small, separate government entities. None of their revenues come from the City nor are their liabilities related to the City. The Fountain Plaza development remains one of the City’s premier retail centers.

In January 2015, the City worked with Cypress Capital to create the Ellisville Marketplace CID. This CID allowed for the redevelopment of the former Best Buy center with new pedestrian amenities, enhanced landscaping and decorative street lights. The Ellisville Marketplace center was the first to implement various recommendations from the Great Streets Master Plan. The applicant has invested \$2.3 million in eligible expenses, and will receive an estimated \$280,000 in reimbursement from CID revenues over twenty years.

In August 2018, the City allowed Shawneetown Capital to create the latest CID. This CID allows for the redevelopment of the former Ellisville Baptist Church property located at 55 Clarkson Road and 1283 Vero Lane. The proposed amenities include pedestrian amenities, enhanced landscaping, illuminated street signs, sidewalk luminaires, and a new, enhanced bus shelter. The applicant will invest \$2.6 million in eligible expenses and receive an estimated \$840,000 in reimbursement from CID revenues over the next twenty years.

The table below summarizes the win-win statistics for the City:

	Fountain Plaza CID	Ellisville Marketplace CID	Shawneetown Capital CID
Estimated increase in taxable property value:	\$2,418,200 10.4% increase	\$2,449,600 40.0% increase	\$3,800,000 100% increase
Estimated increase in City sales tax generated:	\$254,056 22.1% increase	\$47,089 47.5% increase	\$78,000 100% increase
Estimated increase in jobs:	34 7.47% increase	60 370% increase	40 100% increase

Change is a given, and is the reason the City is proactively partnering with the business community to navigate the change in a manner that is consistent with our plans and adds value to our community.

The City offers an extremely fast entitlement approval process with a thirty-day turnaround on zoning approvals, including conditional use permits, zone changes and planned development districts. The City offers after-hour and weekend help with zoning and development questions. Additionally, Ellisville annually develops a new strategic plan to stay focused on ways to attract new businesses, retain and help expand existing businesses within the City. Ellisville is business friendly because it does the big things and the little things that businesses find important.

Lafayette Older Adults Program (LOAP)

Are you interested in making new friends, hearing great speakers, going on exciting day trips, or playing bingo and cards? If you are 55 plus, this is a great group for you! LOAP is a cooperative

partnership between Ellisville, Ballwin, Chesterfield, Manchester, Wildwood, Winchester, and the Parkway and Rockwood School Districts. Fee includes: Coffee, soda, and dessert, you just need to bring a sack lunch. Occasionally, special luncheons require a reservation and pre-payment at a higher fee. We also offer several Day Trips throughout the year. For more information call Sally Grobelny at (636) 227-7508.

Date: 2nd & 4th Monday every month (Sept-May)
 Time: 10:00 A.M.- 2:00 P.M.
 Fee: \$2.00 per person
 Location: Ballwin Golf Course

Family Campout

Come out and camp with your friends and family! Leave those electronics at home and join us in getting back to nature at Bluebird Park. Families will need to provide their own tent and sleeping materials.

Date: Saturday, September 15
 Time: 3:00 P.M. - 9:00 A.M.
 Fee: \$30.00 family (4) - \$7.00 additional (includes dinner and breakfast)

Location: Bluebird Park, Bussmann Pavilion

Activities will include a bonfire, games, hiking and camp songs.

Hot Dog It's Chili!

City of Ellisville, Friday, October 19,
 5:30 p.m. - 8:30 p.m., Bluebird Park

Mark your calendars for the 6th Annual Hot Dog It's Chili in Bluebird Park!

Event goers will come out to listen to the band, go on a hay ride, participate in the children's activities, purchase food from vendors, taste chili, and support the locals. Chili teams must follow guidelines but the recipe is up to each individual.

Cast your vote for "people's choice" while a panel of judges search for the BEST chili!

Teams are formed by local businesses, organizations and families in search of a friendly competition, prizes, and bragging rights! Musical entertainment will be announced at a later date. If you are interested in participating, please contact Sally Grobelny at (636) 227-7508 or at sgrobelny@ellisville.mo.us.

Chair Dancing Class

Karen Merlin is back, this time with a simple way to learn dance steps and routines from a seated position. Enjoy stretching and light movements that will help with strength and flexibility in a fun relaxed atmosphere. Register by calling (636) 227-7508 or at ellisville.recdesk.com.

Date: Tuesdays, September. 18 - October 30
 Time: 11:00 A.M.
 Fee: \$39.00 (six 1-hour classes)
 Location: Bluebird Park

2018 Fall Brush Chipping Collection

Brush and tree trimmings are to be placed by the road no later than the Sunday night prior to your district's scheduled pick-up date. The Public Works crew will spend approximately two weeks in each district. Due to time constraints, they will not be able to return to a street after the brush pick-up is completed. Limbs should be cut in 4 to 12-foot lengths and must not be thicker than 4 inches in diameter. The following items will not be chipped or picked up: trash, bushes with stumps, thorny material, leaves, grass, wood with nails or wire attached, trees with stumps, dirt or rocks. These items are dangerous and may cause damage to the tub-grinding equipment or injure an employee.

Sept 10-21, 2018 **District 1 Brush Chipping**
Sept 24-Oct 5, 2018 **District 2 Brush Chipping**
Oct 8-19, 2018 **District 3 Brush Chipping**

2018 Fall Leaf Collection

The Public Works crew will begin the 2018 Fall Leaf Collection near the end of October. Due to trees dropping their leaves much later in recent years, Public Works will be adopting a new collection schedule beginning in 2018. Collection of leaves will begin October 22 and run continuously until December 28 (see schedule below). Collection will begin in District 1, followed by District 2, and finish with District 3. Once complete, Public Works will begin the cycle again through each district and keep repeating the cycle through December 28. Residents who wish to clear leaves off of their property may rake the leaves in rows to the gutter or ditch line (please keep leaves out of the curb line). Please remove rocks, glass, branches or other hard materials. Such items are harmful to city equipment and may injure an employee during collection of leaves. Unfortunately we cannot specify the exact time or date collection on a particular street will occur, although with the new schedule you should see more passes through your neighborhood. You may have your leaves out at any time during the collection season, however, please keep in mind with each pass in your area, the crew will first complete the remaining streets within the city before returning. Also keep in mind the collection of leaves is contingent upon weather conditions. If you want your leaves removed by a certain date you have a couple of options. You may bag them, attach a yard waste tag, and have Republic Services pick them up on the same day trash and recycling are collected. Please note Republic Services does not collect yard waste during the winter months of January and February. You may also drop leaves off at the city mulching facility located at 553 Old State Road. Leaves should be loose when dropped off, no bags please. The mulching facility is open daily from sunrise to sunset.

Oct 22-Dec. 28, 2018

No leaf collection on November 22 and 23 for Thanksgiving Holiday

No leaf collection on December 24 and 25 for Christmas Holiday

2018 Christmas Tree Pickup (one pass through each district)

District 1 Monday, January 7, 2019

District 2 Tuesday, January 8, 2019

District 3 Wednesday, January 9, 2019

Ellisville Police Department Kids' Safety Day

Ellisville Police are once again joining forces with other emergency responders, safety organizations and concerned businesses to provide a fun and informative safety event for parents and kids of all ages. The event will be held on the parking lot of St. John Church located at 15800 Manchester Road on Saturday, September 29, 2018 from 10 A.M. to 2 P.M. The event will feature numerous booths with information relating to safety and health including bicycle safety, child ID/fingerprinting, Internet safety, health, animal safety, physical safety, first aid, and much more.

Ellisville Police, along with neighboring police and fire departments, will display emergency equipment and will be on hand to answer any questions. K-9 demonstrations will be performed by our very own Ellisville K-9 Unit.

Free refreshments of hotdogs, soda, water, pizza, popcorn and more will be available along with free carnival games and prizes for the kids. Free raffles for gift certificates donated by area businesses will be drawn throughout the event.

Volunteers Needed for The Annual Ellisville Police Kids' Safety Day!

Volunteers are needed to help with the game and food booths and other duties. If you are interested in working all or part of this event or you have questions about the event, please contact Sergeant Nancy Walker at (636) 227-7777 or nwalker@ellisville.mo.us. We appreciate your Ellisville Community spirit and hope to see you there!

Ellisville Community Policing Unit Making a Difference

Corporal George Corless and Officer Ryan Schneider are a true dynamic duo! These officers have spent the last three months in the newly formed Community Policing Unit. Their goal is to work more closely with businesses, schools and the community as a whole. Both officers have spent their careers interacting with the community in a positive way; the new unit allows them the opportunity to do this full time. The officers can be seen on their police bikes, foot patrol and patrolling in a car when weather does not allow other types of patrol. Their main focus is visibility and problem solving. They have been working on community quality of life issues that fall under the purview of the Police Department, as well as increasing the law enforcement presence in the elementary schools. So far the community has been complimentary and super supportive of these two exceptional officers. "They have already made a difference in the way the public interacts with our department. The support for our agency overall has been fantastic, and we feel it has been taken to an even higher level, if that is possible!" said Chief Lewis.

Half Cent Sales Tax Storm Water Improvement Project Update

The City of Ellisville recently completed Phase 2 of the street improvements on Froesel Drive between Ellisville Elementary School and Clarkson Road. Phase 1, Hutchinson Road to Ellisville Elementary School, was completed in 2017. Street improvements included removal of the existing street and replacement with a new 26' wide asphalt street with concrete curbs and gutters, construction of a new storm sewer system, installation of bio swales with amendable soils, removal and replacement of driveway approaches, new sidewalks and accessible ramps and other

Installation of concrete curbs and asphalt base

Installation of storm sewers

miscellaneous items such as grading and sodding.

New Share the Road bicycle signs along with new pavement markings including pedestrian crosswalks and sharrows will be installed this fall. The pedestrian and bicycle enhancements were identified under the city's Bikeable Walkable Community Plan which

was developed in 2011 to create a safe and pedestrian friendly infrastructure for community connectivity.

The city would like to thank the property owners on Froesel Drive who granted easements for the sidewalks. The city would also like to thank Mozingo Music, West County Bible Church, Rockwood Adventure Club and Timberwinds Nursery for their cooperation during the project.

The City has also begun street improvements on Reinke Road adjacent to the new Ruppel Farms subdivision. The city has partnered with the City of Ballwin to complete this work. The project is being completed to improve sight distance and drainage along Reinke Road. The improvements will include removal and realignment of the existing street and replacement with a new 29' wide asphalt street with concrete curbs and gutters, installation of a new storm water system,

removal and replacement of driveway approaches, utility relocation and other miscellaneous items such as grading and sodding. The project also includes installation of a new five (5') wide concrete sidewalk on the south side of Reinke Road along the new subdivision.

New storm water structures

This sidewalk will provide a pedestrian connection between the existing sidewalks along Reinke Road.

Wolff Lane improvements between Clayton Road and the dead end are also scheduled for this year. This work will include similar improvements to Froesel Drive and will begin with

the installation of a new storm sewer system along the street. At present, the existing street has ditches that do not adequately drain water runoff from the street. The existing 18' wide street will be widened to a 26' asphalt street with concrete curbs and gutters. Other work will include removal and replacement of driveway approaches and other miscellaneous items such as grading and sodding.

Devore Drive improvements between Manchester Road and the cul-de-sac are also scheduled for this year. The proposed improvements will include removal of the existing street and replacement with

continued from page 6

a 26' wide asphaltic concrete street with concrete curbs and gutters, reconfiguration of the cul-de-sac, modifications and/or expansion to the existing storm water system, extension of the sidewalk along the west side of the street, utility relocation and other miscellaneous items such as grading and sodding.

The City will be contacting all residents impacted by these projects to discuss the proposed improvements and/or schedules for completion of the work.

These projects are being completed under the half cent sales storm water improvement tax. The City of Ellisville would like to thank all of the residents impacted by the projects for their patience and cooperation during these improvements. If you would like additional information on the half cent sales tax storm water projects, please contact John Collins, Assistant City Engineer, at (636) 227-9660 V/TDD.

Breakfast with Santa
 Santa will be avisiting Bluebird Park on.
Saturday, December 8, 9:30 – 10:30 am.
 A light breakfast will be served. Children will have the opportunity to give wish lists to Santa and have their pictures made.
 Preregistration is required and space is limited. Moms & dads, don't forget those cameras.
 Register at ellisville.recdesk.com.

\$5.00 per person

Managed Deer Hunts in Klamberg Conservation Area

Again this year the Missouri Department of Conservation and the City of Ellisville are working cooperatively to administer a managed deer hunt to help control the deer population. During the hunt the conservation area will be closed to the public. The dates for this year's hunt are Monday, November 26 - Friday, November 30, 2018.

Five hunters will be selected to participate in each hunt through the Missouri Department of Conservation (MDC) managed hunt system. All hunters attend a pre-hunt orientation to learn the rules and regulations of the hunt. All are required to use archery or crossbow equipment, hunt from elevated stands and to harvest an antlerless deer before a second deer (antlered or antlerless) can be taken. A maximum of three deer can be harvested per hunter. No shooting zones of 25 yards are established along the boundaries of Klamberg Conservation Area.

When deer numbers are high, other plant and wildlife species struggle to survive or disappear altogether. To be responsible land managers, deer numbers should be kept in balance with the other species at Klamberg Conservation Area. MDC strives to meet their Constitutional mandate which includes the wise management of our natural resources. These management efforts often include population control through harvest.

The Ellisville City Council voted to modify the Ellisville City Code to allow for the managed hunts to help control the deer population in Ellisville and surrounding area as the growing number of deer are creating a danger for vehicle accidents and destruction of native plants and trees.

If you have questions regarding the hunt, contact Erin Shank, Wildlife Biologist with the Department of Conservation at (314) 301-1506 or Lisa Blumer, Director of Parks and Recreation at (636) 227-7508.

Volunteers in Police Service

Ellisville Police Chief Steve Lewis launched a new program in July called “Volunteers in Police Service” (VIPS). The Ellisville Police Department has joined thousands of law enforcement agencies around the country and internationally, who are using volunteers to supplement public safety and crime prevention efforts. The program helps police department personnel build stronger relationships within the community while allowing sworn police officers the ability to address crime more efficiently.

Volunteers are an important part of any organization and have proven a valuable asset to law enforcement. The Ellisville Police Department has utilized volunteers for assistance with a variety of functions – most notably as police chaplains and police reserves. The new VIPS program will expand opportunities for qualified volunteers to assist the department in a wide range of roles and functions. Volunteers help fill critical gaps in program support and provide essential technical expertise. The program gives individuals the opportunity to give back to their community in a meaningful way and to support their local law enforcement agency whose members often wear “several hats” in their everyday work load. Our volunteers will be a “force multiplier” and will reach out to the community to give insight to the public on the police officers who work in their community” says Chief Lewis.

The Ellisville Police Department VIPS program will start with six volunteers. All are retired citizens of the community and have been active in other volunteer adventures. Whether it is as simple as help entering data, or as involved as conducting a radar survey, the VIPS will be able to assist the department in carrying out tasks, jobs, and public services that might not be in existence if it were not for the help of the VIPS. Anyone interested in participating in the VIPS are encouraged to contact Sgt. Nancy Walker at (636) 227-7777.

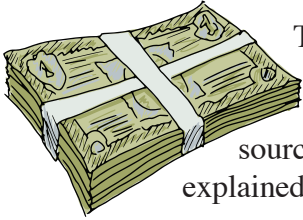

Working Together and Growing Together by Providing Valuable Services

Ellisville strives to provide valuable services for those who live, work and visit our community. The City is committed to providing high quality services in a manner that represents our care for, and value of the many diverse individuals who make up our community.

The Department of Planning and Community Development is here to help promote a safe, healthy and enjoyable City in which to live, work and visit. Please feel free to contact the Department with any questions or concerns you may have. Our staff, including Code Enforcement Officer Teresa Belew, is available to meet with you and attend your Homeowner’s Association Meetings. Ms. Belew may be reached at (314) 452-5299 mobile or via email at tbelew@ellisville.mo.us during regular business hours.

Where does Ellisville’s Revenue come from?

The City does not receive Income Taxes or Personal Property Taxes. The various sources of revenue for the City are explained below.

Sales Taxes:

Most of the sales tax paid in Ellisville go to the State and County. The portion that the City receives is still the City’s largest source of revenue.

Some sales tax is received from the utility billings for residents and businesses. The largest source is sales made in the City’s commercial districts. Recent research suggests 80% of the sales taxes in the commercial areas come from non-residents. “Other people’s money” is a major source of revenue to pay for Ellisville’s services.

Real Estate Taxes:

A small portion of the real estate tax that you pay is received by Ellisville. For example, a home that has a value of \$200,000 would have real estate taxes of about \$3,000. Of that Ellisville will receive about \$50. Commercial property is assessed at a higher percentage than residential property. That helps provide additional funds.

Utility Fees:

Utility companies pay a fee for the right to do business here and utilize the City’s right of way. These fees are less than 20% of the City’s revenue.

Licenses & Permits:

For the right to do business in Ellisville, businesses are required to pay for a business license annually. Permits are also required for building, excavations and related activities. These total a little under 7% of the budgeted revenue.

Intergovernmental Revenue & Grants:

The City receives money from the State and other governments. The majority of this money is used for maintaining and improving streets. This is approximately 6.5% of the City’s revenue.

City Departments apply for grants whenever possible. These have been as much as \$600,000+ in one year. Some years the City doesn’t qualify for any grants.

Recreation Fees:

Recreation fees are received from the pool, programs, park rentals and sponsors of activities. These revenues are not designed to cover the full cost of activities. Recreational activities are an important benefit for our Community.

Court Fines:

Court Revenue is the smallest category of revenue for Ellisville. This is not used as a revenue source in Ellisville. It is used to make our Community safer.

Where does Ellisville’s Revenue go?

Ellisville’s revenue is used to provide municipal services for the citizens of Ellisville. Some of these are relatively inexpensive although they are all necessary. These include tracking all City ordinances, recording minutes of all City meetings, planning & zoning, paying employees, paying vendors, supporting the computer networks, processing licenses, inspections & permits, administering Court proceedings, setting up many recreational options, providing controls on cash receipts & expenditures, property maintenance, human resources and overall supervision and management.

There are also major activities including:

Residential Trash Service	\$555,000
Street Improvements & Maintenance	\$3,780,000
4th of July Celebration	\$60,000
Street Snow Removal	\$80,000
Pool	\$320,000
Police Services	\$2,990,000
Sewer Lateral Program	\$108,000
Street Lights	\$155,000

Easy Adult & Senior Dance Classes

No partners are required, singles are welcome!

Offered by the St. Louis

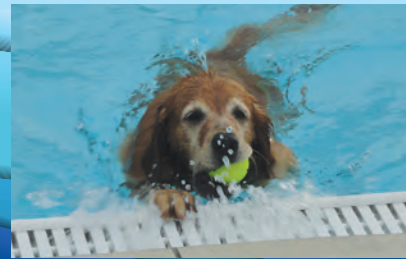

Community College Continuing Education and Ellisville Parks and Recreation Department.

Back by popular demand, Instructor Karen Merlin will be teaching a variety of dance classes at the Park Administration Building in Bluebird Park. The evening classes include: Ballroom Dance, Swing Dancing, Easy Social Dance, Latin Dance and Line Dancing. All the classes begin the week of September 10 and continue for 8 weeks. No partners are required, singles are welcome!!

For fees and to register for these classes, please call (314) 984-7777 or register on-line at stlcc.edu and click on the "Continuing Education" link.

Pooch Plunges at the EDGE Aquatic Center

The EDGE is going to the dogs again this year after the Aquatic Center closes for the season. The plunges are on Thursday, September 6 from 5:00 - 8:00 P.M. and Saturday, September 8 from 9:00 A.M. - 12:00 noon. Fees are \$3.00 per person and \$7.00 per dog. Funds from the events assist with continued maintenance of the Ellisville Dog Park. Sponsors for this year's event are: Ellisville Veterinary Hospital, Tri City Bird and Animal Clinic, Auto Spa Inc., The Fountains of West County and Renewal by Anderson.

Ellisville's More Than A Market, Market

by Carri Cahill, Market Master

The 2018 Market season has come to an end. It was a great year for the Market as we doubled our size from the previous year! We greatly increased vendor participation and offered new and exciting activities for Market goers to enjoy! I truly enjoy everything I do related to the Market and making it the place to be on Thursday nights during the summer.

However, none of this would have been possible without some very special people! A BIG THANK YOU to **Lisa, Sally and Holly** of our Parks Department for their support and guidance, not only each week, but all year long. It takes many months of planning to pull off the Market season and they were there every step of the way.

Huge praise and THANKS goes out to **Gary** with Public Works and the fine team of employees who support me and our Market. They provide a tremendous amount of support and always are willing to help. They truly define the word exceptional.

Finally, I saved the best for last. I couldn't have done it without the support, guidance, hard work and sacrifice the following people gave each week:

Mick Cahill – The pride you have in Ellisville and the desire to make it the best place to live, work and play, shows in the effort you put forth! I couldn't have done it without your support and encouragement! Thank you for being such a huge reason the Market has been successful!

Vince and Sandie McGrath – For the hours and hours of time you gave to the Market, THANK YOU just isn't enough. You will never understand how much your help each week was so vital in making the Market work and how much I needed you there!

Courtney, Erin, Emily, Amanda and Sam – Each and every one of you came out, week after week to help in making the Market successful. Thank you so very much for everything each and every one of you did week after week! Even though, at times, you thought what you did, didn't matter – it did in more ways than one!

SERVICE REQUESTS, CONCERNS OR QUESTIONS

There are many avenues residents can take if they have a City-related request, concern or question. Calling City Hall at (636) 227-9660 is the quickest way to get an answer to your question or to resolve a problem. Another quick option is to access the City's website, www.ellisville.mo.us, and complete a Service Request/Comment Form online. This method delivers the completed form immediately to the appropriate department. The Service Request Form below can be mailed or delivered to City Hall, 1 Weis Ave., Ellisville, MO, 63011. Simply complete the form by providing a brief description of the request and the location. Fill in your name, address, and daytime number so that we may keep you informed. However, if you wish to remain anonymous, please contact a Council Member. Staff is not permitted to take anonymous complaints.
