

The Meramec Valley Citizen Corps Council has partnered with the St. Louis Community College to offer FREE CERT training.

[Click here for January – June 2023 Class registration](#)

Hello everyone,

Please see below the course description.

Community Emergency Response Team Training

Have you ever thought "What would I do if a tornado struck my subdivision?" or "What types of natural disasters can happen in St. Louis?" We have the answers. Community Emergency Response Team Training (CERT) is a series of classes that prepares you to help your community in the event of a crisis. Through lecture and hands-on activities, professional emergency responders will teach you about emergency and disaster preparedness, while you receive training in basic response skills such as fire safety, team organization, light search and rescue, and medical operations. Training will conclude with a full-scale disaster exercise in a tornado simulation (off-site) on Saturday, Apr 15. Upon successful completion of the training, you will be able to join a local St. Louis Area CERT program to continue to support and help where volunteers are needed. Participants must be 18 years of age or older. Instructors: Various. No Class Mar 14, Apr 4. Last day to register is Feb 1.

EMSS-715 | 9 sessions | \$9 AGE 60+ | **\$9 REG**

P01 Tu 6:30-10 p.m. | **CE Org Staff**

Feb 7-Apr 15 | FV-E 154
